LEARN ABOUT US

Welcome to the only zorbing park in the USA!

Come zorbing at the Outdoor Gravity Park - featuring H2OGO zorbing with 15 gallons of water, where you slip, slide inside the orb without tumbling! The fast and adrenaline-packed descent is akin to a bouncy water slide.

Don't forget a change of clothes and a towel, you will get wet! This park is open, rain, shine, or cold! Water is heated to 70- 90° based on seasonal weather.

Choose from 3 different experiences!

Slip n' slide into adventure! Roll on over, and see why zorbing is the top thrill in the Smokies!

HELPFUL TIPS

Rolls are per person, not per ball! For a group of 50, you'll need 50 rolls for everybody to ride once!

Tip: 100 rolls can be done within the hour if sharing an orb! This creates a better experience due to more speed and movement! 50 rolls can be done in an hour if each person rolls in their own orb!

PERKS

No wait time!
All Go-Pro videos are included with the private event!
